

Dear Parents

Well here we are already Term 2. All of the children have really settled well during their first term at school and we hope that their first experiences of school life have been positive and that we have made them positive for you as parents too! We hope that your children enjoyed last term's topic. I can assure you that all the adults in the Foundation Stage Team did! We are now really looking forward to enjoying our new topic on Once Upon a Time! The topic grid we hope gives you a little insight into some of the things that we will be covering but this list is forever developing. If you have any questions about the topic then please contact us via telephone or email- office@downs-view.kent.sch.uk.

The sounds and words we are going to be focusing on will be coming home in your child's reading record book. Please go through these words and sounds daily with your child as this will help consolidate them. Don't forget to have a try at the home learning that we are sending home too. Remember you do not have to return the homework book every day just when the homework is finished.

Thank you for working in partnership with us.

Claire Smith (Foundation Stage Team Leader) and the Foundation Stage team.
