We are here to help you get your breakfast and have fun before school starts!

Organisation of Breakfast Club

Please enter the school through the main reception gate and walk round to the back of the hall. Please use the intercom to announce you are there. If there is another parent exiting from the hall, please wait to let them pass, waiting on a spot, keeping a safe distance until it is clear. Your grown up will need to wear a mask to keep them safe during drop off.

You will enter the hall through a door for your year group at the back of the hall and stay in a year group zone (see map) during your time at Breakfast Club.

Parents please do not enter the hall, a member of staff will be there to greet you and your child at the door.

When you enter the hall you will sanitise your hands first then put your bag, coat and lunchbox down in a set area.

You will have breakfast with your friends in your year groups at a table and a grown-up will be with you to help you with your breakfast.

You will have choice for breakfast including toast and different types of cereals.

Sometimes there are different choices for breakfast to celebrate special days and events

You will have time to play with your year group before school starts.

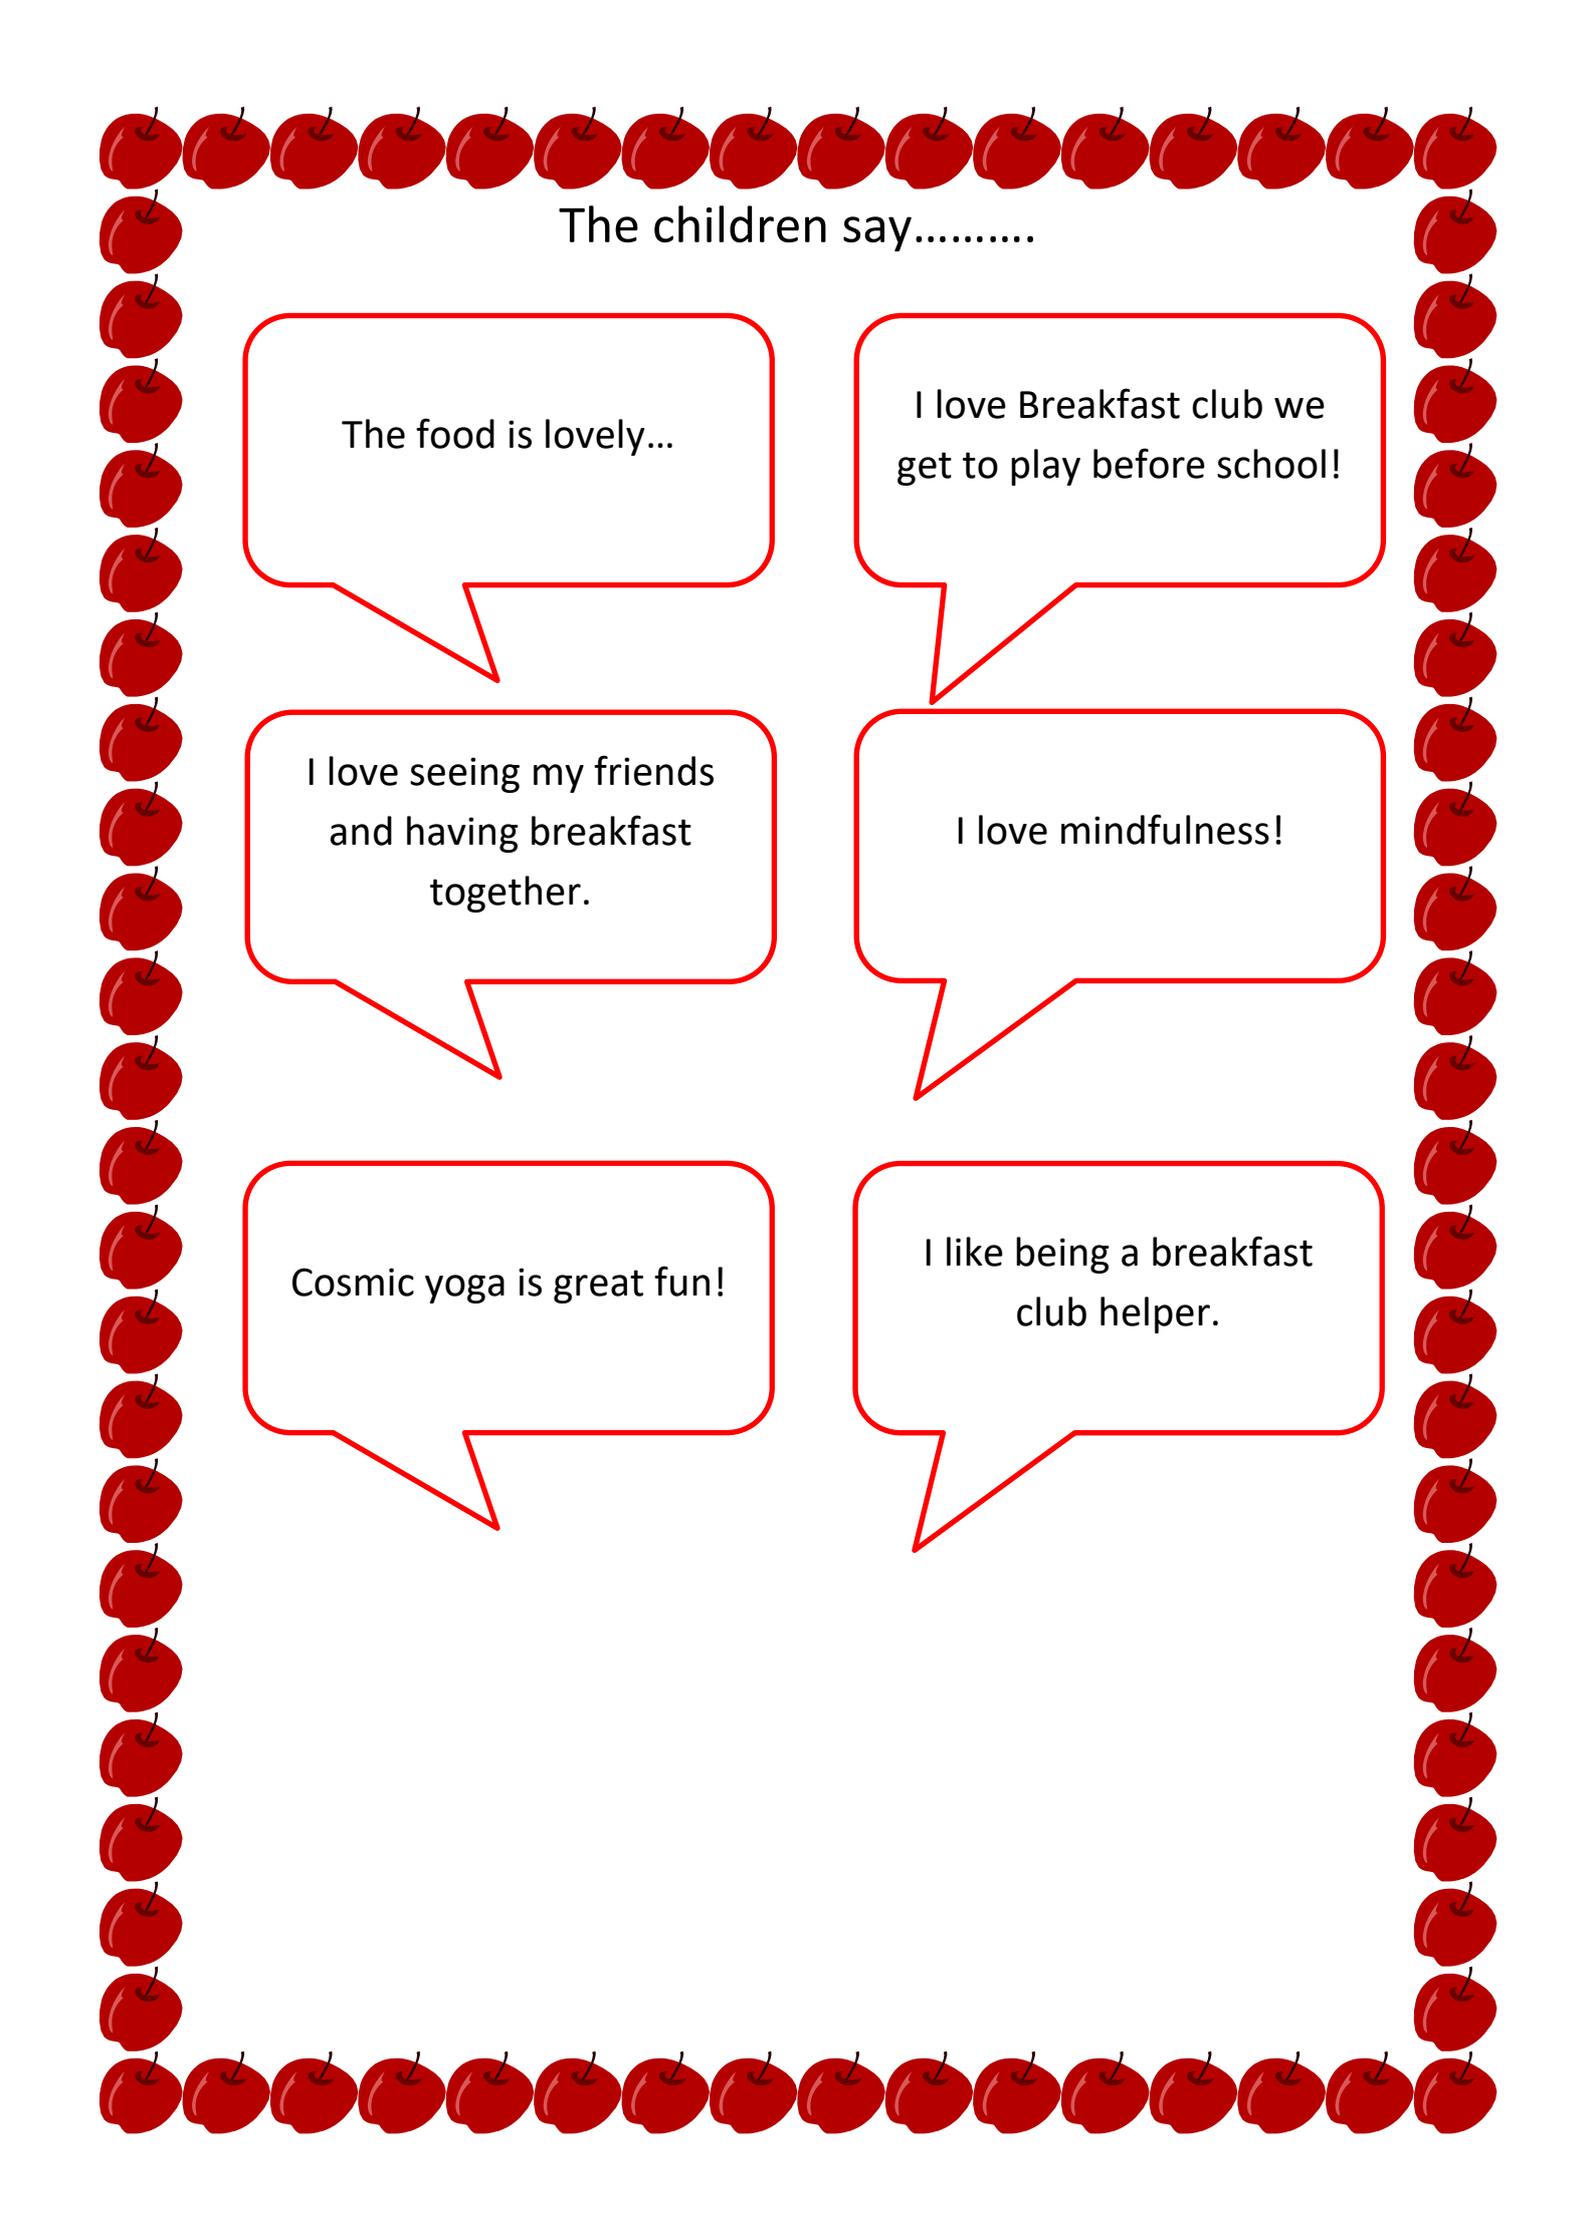

Sometimes we listen to a story and also play circle games.

Sometimes we will take part in mindfulness or yoga. If you need to go to the toilet you will tell your adult and you be taken to your class toilets.

After playing you will tidy up, collect your belongings and your adult will take you to class when ready.

We will have lots of fun.
